

Hounslow and Richmond **NHS**
Community Healthcare
NHS Trust

Richmond Community Neuro Rehabilitation Team

For patients with a neurological condition

The Team consists of:

- Specialist Physiotherapy, Occupational Therapy, Speech and Language Therapy and Dietetics
- MS and Parkinson's Nurse Specialists
- Links to Continence Nurse and Podiatrist

What we can offer:

- A period of rehab (relating to the neurological condition) to promote functional independence
- Education and advice to support self-management
- Exercise, Balance, Upper Limb, Education and Fatigue Management Groups
- A Stroke Early Supported Discharge Team
- Outpatient clinic and domiciliary service

How to refer

- **New referrals:** via Single Point of Access (SPA):
www.hrch.nhs.uk/spa-richmond
