We are a group of local parents of children with hearing loss of all ages. Some of our children have permanent losses of varying degrees and others have persistent glue ear.

If you want to get in touch with other parents/carers to chat and share experiences, please email or call me. We hold regular socials throughout the year; the next one is planned for early 2015. Parents from Hounslow area are welcome too. We look forward to welcoming you to the group.
